Re: Kansas Personal Automobile Insurance Plan – Motorcycle Class Codes Revised

AIPSO announced that the Kansas Insurance Department has approved revisions of the rating provisions for private passenger motorcycles written by the Kansas Automobile Insurance Plan. This approval introduces several new rating factors to the liability and physical damage rating procedures.

NISS is revising the miscellaneous private passenger class code charts for Assigned Risk Automobile experience to reflect the new Kansas motorcycle rating as shown on the following pages.

These changes apply to new and renewal policies effective September 1, 2022, and subsequent. The coding on the attached pages will be reflected in the 4<sup>th</sup> Quarter 2022 revisions to the NISS Automobile Volume I Statistical Plan.

Very truly yours,
