Re: Annual Statement Line of Business Coding Updates

The National Association of Insurance Commissioners (NAIC) has adopted revisions to Annual Statement reporting effective January 1, 2024. The revisions are as follows:

Pet Insurance is being separated from Inland Marine to accommodate the rapidly growing Pet Insurance Industry and allow more visibility into each participating company's separate Pet Insurance Financial Information.

Inland Marine (09.0) is being replaced by:

- Inland Marine (09.1)
- Pet Insurance Plans (09.2)

Additionally, Medical Malpractice and Products Liability were expanded to separate Occurrence and Claims Made Coverages.

Medical Malpractice (11.0) is being replaced by:

- Medical Professional Liability - Occurrence (11.1)
- Medical Professional Liability – Claims Made (11.2)

Products Liability (18.0) is being replaced by:

- Products Liability – Occurrence (18.1)
- Products Liability – Claims Made (18.2)

NISS will be updating the Annual Statement Lines of Business codes per these changes.

Beginning January 1, 2024, these changes apply to all data reported on Statutory Page 14. Please see the attached revised Annual Statement Line of Business Page. The coding on the attached page will be reflected in the 1st Quarter 2024 revisions of all the NISS Statistical Plans.

Sincerely,
